

## “OPERATION MACEDONIAN CALL” NEWSLETTER

*“And a vision appeared to Paul in the night: There stood a man of Macedonia, and prayed him, saying, Come over into Macedonia, and help us. And after he had seen the vision, immediately we endeavored to go into Macedonia, assuredly gathering that the Lord had called us for to preach the gospel unto them.” Acts 16:9-10*

### Missionary Report from Team India

A team of 8 missionaries traveled with Bethel Foreign Missions to Hyderabad, India, Asia in August 2014. Missionaries taught, evangelized, distributed clothing and participated in medical and feeding programs.

The people of His creation, half way around the world, a people some of us had only read about... Only our God could have placed in order such an occasion as this, to touch, and to be touched by lives. Our mission team served in the feeding outreach, and we touched lives with the medical clinic. We, without a doubt, saw the hand of God moving in the lives of others as He moved in ours. We serve a really big God. Thank you, Pastor Lambert, for your heart and vision.

## Missionary Report from Team Nigeria

A team of 7 missionaries traveled with the International Bible Prophecy Revival Global Ministry (IBPR) to Lagos, Nigeria, Africa in August 2014. Missionaries taught Vacation Bible School (VBS), visited an orphanage and attended a prayer conference at the Redeemed Christian Church of God.

The 2014 mission's trip to Lagos, Nigeria was truly a blessing. When I said to the Lord "send me" (Isaiah 6:8) I didn't realize that I would be so blessed by serving His children in Nigeria. I felt I received more than I gave. The love that I received from our brothers and sisters in Nigeria was heartfelt and genuine! What we think the Nigerians lack does not compare to their abundant worship and praise to our God! The children at the True Light Academy were ready to hear the Word of God. The children at the orphanages were bright lights shining in spite of their circumstances. To spread the Gospel in remote villages was a humbling, yet wonderful experience as we were used by God to share the Word and pray with believers and non-believers.

We were a team of missionaries from the United States that were united by Jesus to spread His word. We could do nothing without Him!

The experience I had on this mission's trip was totally awesome. This was my sixth time traveling with IBPR to Nigeria. Being assigned to teach the older children at the VBS was a new challenge for me but a successful one. Witnessing 70 children accepting Jesus Christ as their Savior at the closing ceremonies was the highlight of this trip. The love and unity among the team members will never be forgotten. I'm grateful God allowed BDIFC members to travel with us and minister overseas. This was truly a blessing from God!
